About Us

Infokey is a technology driven company that helps businesses grow with smart digital solutions. We provide software products, digital marketing and automation tools to help businesses scale and operate efficiently.

Our mission is to empower small, medium and large businesses (SMBs) with advanced yet affordable technology solutions, making business management easier, faster and smarter.

With a strong focus on innovation and customer success, Infokey is your trusted partner for business growth in the digital age.

Our Products

WaBM

Powerful **WhatsApp Marketing** tool for business growth.

Yatter AI

AI-powered chatbot for **WhatsApp** and **Telegram**.

Fastax

Smart Accounting and inventory management software.

Transport ERP

Simplify your **Transport** business.

WaBM

WaBM is a **WhatsApp marketing software** that lets you send messages to thousands of people with just a few clicks. As a **Meta Tech Partner**, WaBM helps you easily connect & reconnect with old clients, send them daily offers and keep your brand trusted. With the blue tick feature, your customers can be sure they're talking to a verified business, boosting their confidence in your brand.

Features

- Broadcast Messages
- Blue tick Branding
- Message scheduling
- Collab with Team
- Auto Replies & chatbots
- Conversation analytics

Yatter

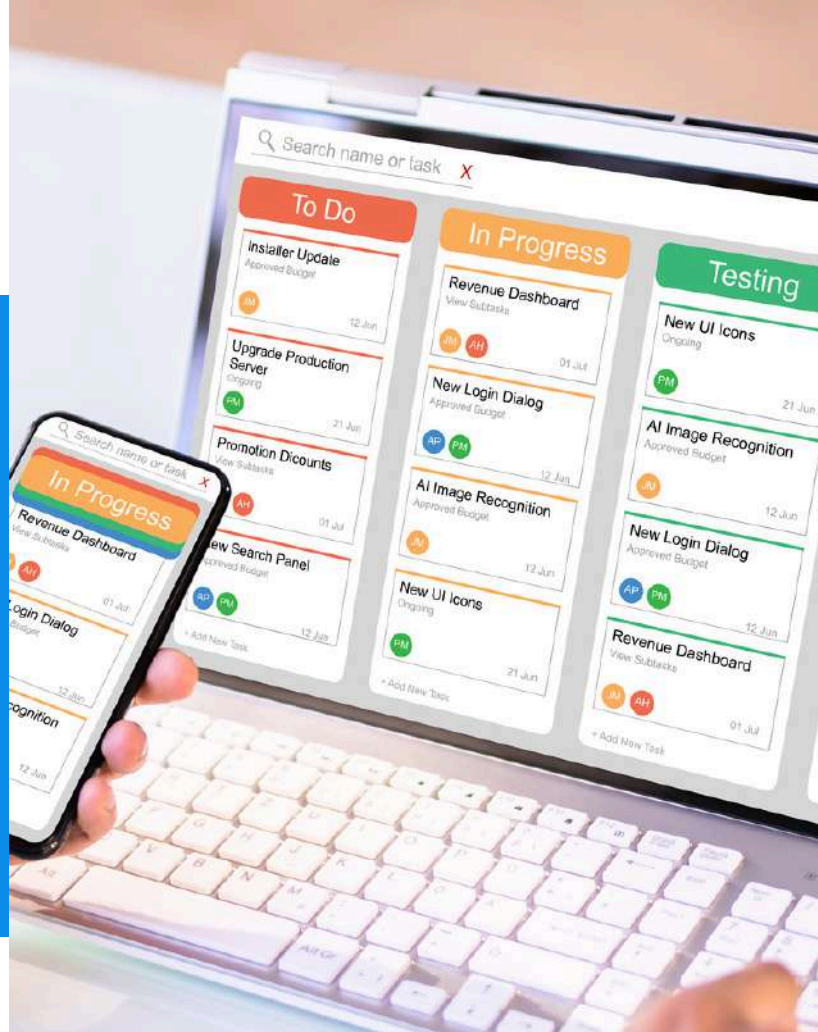

Yatter AI is an advanced AI-powered chatbot designed to enhance conversations on [WhatsApp](#) and [Telegram](#). It provides instant answers to any questions, understands voice messages, extracts text from images and PDFs and even gives real-time weather updates. The best part? It's available directly on your WhatsApp and Telegram, so there's no need to download a separate app.

Features

- ChatGPT Plus Gemini
- Voice-to-text conversion
- Image text extraction
- Whatsapp Reminders
- PDF info retrieval
- Real-time weather updates

Fastax

Fastax is a [Smart accounting and inventory management](#) software designed to simplify invoicing, stock tracking and tax management for businesses. It helps streamline financial operations, ensuring efficiency, accuracy and ease for businesses of all sizes. With Fastax, you can manage your finances with confidence and stay on top of your inventory, making it an essential tool for growing your business.

Features

- › Billing & Invoicing
- › Sales management
- › Purchase management
- › Stock Tracking
- › Accounting & GST
- › Financial Report

Transport ERP

Transport ERP is a smart **logistics and fleet management solution** by Infokey, designed to streamline transport operations, track vehicles and optimize routes. It helps businesses manage dispatch, billing, fuel expenses and driver records with ease. With real-time tracking and automation, Transport ERP enhances efficiency and reduces costs, making it an essential tool for transport businesses of all sizes.

Features

- › Transport Management
- › Fleet Management
- › Customer Relationship Management
- › Contracts & Billing
- › Billing & GST
- › Notifications & Alerts

Our Services

Digital Marketing

Expand your online presence with data driven strategies, From SEO and social media to paid ads, we help you attract, engage and convert your audience effectively.

Whatsapp Marketing

Reach your customers instantly with WhatsApp marketing. Send personalized messages, automate replies and build strong relationships with high engagement.

Website Development

We design and develop responsive, SEO-friendly websites that enhance user experience and drive business growth.

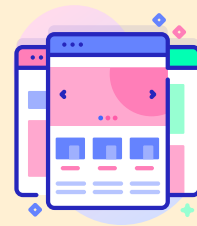

Social Media Management

From content creation to engagement, we manage your social media presence to increase brand awareness and customer interaction.
